

Quirky Questions Activities

Have students examine the Quirky Questions [Power Point](#) or [Web Page](#).

- Students Design a poster, write a song or a play to promote responsible reef behaviours
- Students use the Power Point as a model make their own version.
- Write a recipe for Responsible Reef Behaviours.
- Make a board game
- Design a pamphlet to inform visitors about responsible behaviours on the bluff.
- Debate:

“Fines work better than education”

Instead of trying to educate people to act more responsibly in Marine Sanctuaries we should fine them for breaking the rules.
